

VTrans: Overview, tools, methods, and policies

Jitender Ramchandani, OIPI Statewide Transportation Planning
Office of Intermodal Planning and Investment

November 12, 2021

PURPOSE

- VTrans is Virginia's Transportation Plan developed for the Commonwealth Transportation Board (CTB) by the Office of Intermodal Planning and Investment (OIPI).
- The purpose of today's presentation is to provide an overview of the CTB Policies for Identification and Prioritization of VTrans Mid-term Needs (0-10 years).

- Please utilize the following resources for more information:
 - Webpage: Policy and Overview
 - <u>InteractVTrans:</u> Maps and graphs

ABOUT VTRANS

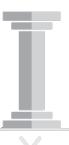

Major components in VTrans - Virginia's Transportation Plan

CTB's Vision, Guiding Principles, Goals and Objectives

VTrans Long-term **Risk & Opportunity** Register

Strategic Actions (Recommendations)

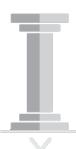

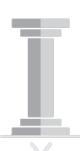

VTrans Mid-term

Needs: Identification

and Prioritization

Guides Planning, Needs Identification, Actions, and **Priorities**

Studies, construction

Monitors trends

- Advance CTB's Goals,
- · Accelerate solutions for the identified needs
- Address risks and opportunities

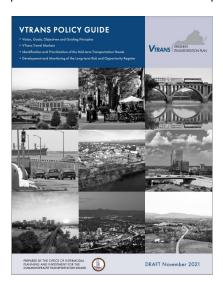

Revenue Sharing

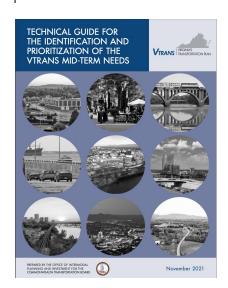

ABOUT VTRANS

POLICY GUIDE For Policy Makers | Adopted by the CTB

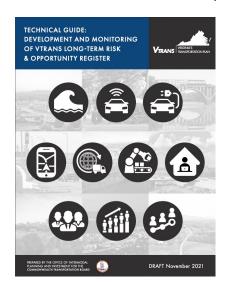

Includes all policies

TECHNICAL GUIDES For practitioners | Not adopted by the CTB

Needs Identification and Prioritization

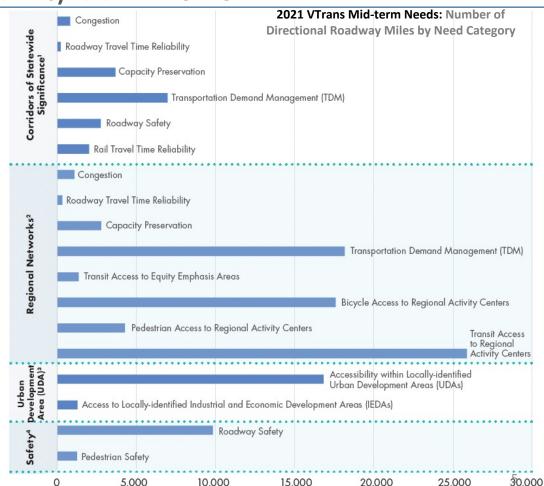

Long-term Risk & Opportunity Register

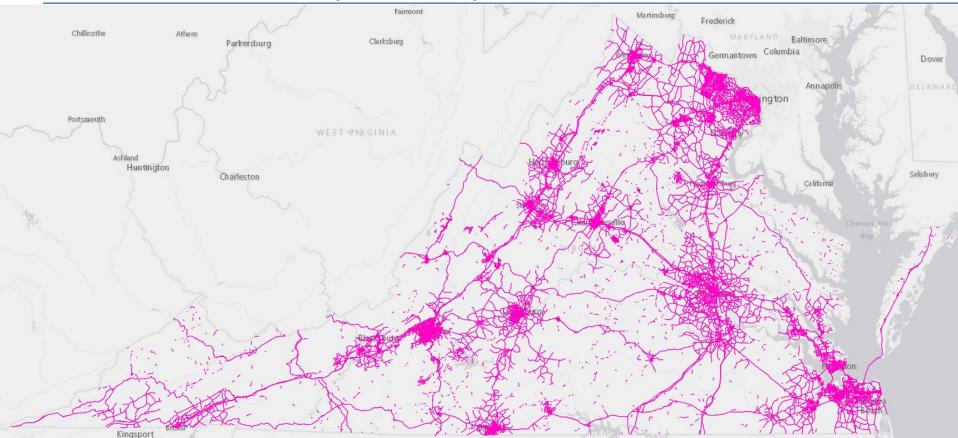

VTRANS MID-TERM NEEDS (0 - 10 Years) I IDENTIFICATION

- Data-informed
- Multimodal
- Identify the need do not prescribe the nature, scope, or location of the solution
- These are used for SMART SCALE and VDOT Revenue Sharing Program

VTrans Mid-term Needs (0 - 10 Years) I Identification

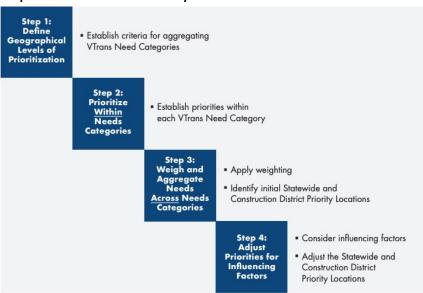

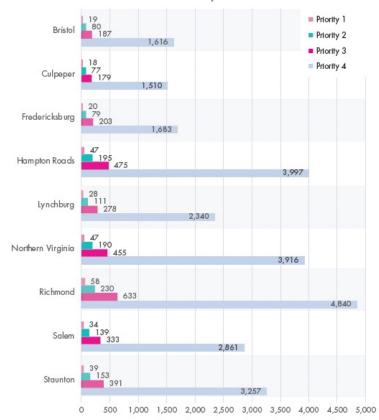

VTRANS MID-TERM NEEDS (0 - 10 Years) I PRIORITIZATION

 There are used by OIPI's Project Pipeline Program

Steps outlined in the Board Policy

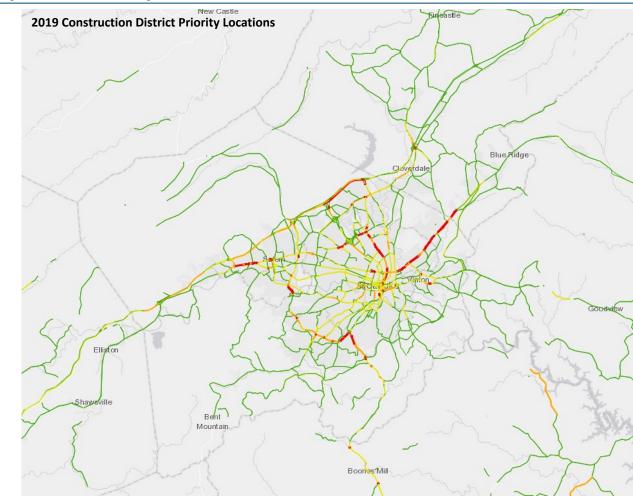

2019 VTrans Mid-term Needs: Directional Roadway Miles for Construction District Priority Locations Directional Miles

VTrans Mid-term Needs (0 - 10 Years) I Prioritization

NEXT STEPS FOR THE MID-TERM NEEDS

- We see several opportunities for continuous improvement that can further strengthen the existing policies.
- You feedback is essential for us to help prioritize these improvements. We will be in touch with you in 2022 to gather some feedback.

THANK YOU
